Isn't there a happy ending?

“Books ought to have good endings. How would this do: *and they all settled down and lived together happily ever after?*”

‘Ah!’ said Sam. ‘And where will they live? That’s what I often wonder.’”

- J.R.R. Tolkien

- 81% of young adults 19-30 with autism live with parents or guardians
- 67% of adults with disabilities aren't working
- 80 - 90% of adults with autism aren't working

(Easter Seals, 2008)

Èske pa gen kè kontan nan fen an ?

“Liv yo ta dwe gen bon fen. Kòman sa ta ye : epi yo tout te estabilize lavi yo ak viv ansanm ak kè kontan pou tout rès lavi yo apre ?”

‘Ah !’ Sam te di. ‘Epi ki kote yo pral rete ? Se sa mwen mande m souvan.’”

- J.R.R. Tolkien

- 81% jèn adilt ki gen ant 19 a 30 an ki gen otis ap viv avèk paran yo oswa titè yo
- 67% nan adilt ki gen andikap yo pap travay
- 80 a 90% nan adilt ki gen otis yo pap travay

Sous : Easter Seals, 2008

Won't my family member go into a group home?

- Adult services are not an entitlement
- 927 individuals who turned 22 in FY17 were served by the Department of Developmental Services (DDS); it is estimated about 40% - 50% had autism
- Only about 270 of the Turning 22 class received Community Based Residential Services (CBRS). CBRS includes:
 - Group homes
 - Shared Living, where a caregiver receives a stipend from DDS to live with a person with a disability (usually in the caregiver's home, but sometimes in the home of the person with a disability)
 - People living with a caregiver funded by MassHealth, who also receive 30 or more wrap-around hours a week from DDS

Èske manm fanmi m nan pral nan yon kay kote plizyè moun ki gen bezwen espesyal ret ansanm ?

- Sèvis pou adilt yo se pa dwa otomatik.
- [Depatman Sèvis Devlopman (DDS)] te sèvi 927 moun ki te vin gen 22 an nan ane fiskal 2017 la ; yo estime gen apeprè 40% - 50% ladan yo ki te gen otis
- Se sèlman apeprè 270 nan gwoup moun ki te vin 22 an (Turning 22) yo ki te resevwa Sèvis lojman kominotè [Community Based Residential Services (CBRS)] yo. Pami CBRS yo, nou jwenn :
 - Kay kote plizyè moun ki gen bezwen espesyal ret ansanm
 - Lojman an komen kay yon fanmi (Shared Living), kote yon moun k ap bay swen resevwa yon gratifikasyon nan men DDS pou l abite avèk yon moun ki gen yon andikap (an jeneral nan kay moun k ap bay swen an, men pafwa nan kay moun ki gen andikap la)
 - Moun ki abite avèk yon moun k ap bay swen ki resevwa lajan nan men MassHealth la, ki resevwa tou 30 oswa plis èdtan pa semèn nan men DDS pou sèvis pou jèn moun ki gen pwoblèm grav ak konplèks

Who receives Community Based Residential Services?

- Historically, 25–30% of those receiving residential supports have no family involvement.
- For those with family involvement, DDS uses a “health and safety” criteria; if the person is living in the family home, and DDS feels they are healthy and safe there, DDS won’t fund CBRS, other than some “family support” hours.

Ki moun ki resevwa sèvis lojman kominotè ?

- Istorikman, 25-30% nan moun ki resevwa soutyen rezidansyèl pa gen fanmi ki enplike nan swen yo.
- Pou moun ki gen fanmi ki enplike nan swen yo, DDS itilize yon kritè "sante ak sekirite" ; si moun nan abite nan kay fanmi an, epi DDS santi yo an sante e an sekirite, DDS pap bay CBRS lajan, apa kèk èdtan pou "soutyen fanmi".

Who receives Community Based Residential Services (2)?

- Health and safety is a three-pronged test:
 - The family's ability to provide care
 - Examples of someone receiving CBRS include a mother who is legally blind, a parent with a bad back who can't provide care to someone in a wheelchair, etc.
 - The needs of the individual
 - Examples of someone receiving CBRS include individuals with aggression, self-injurious behavior, and pica (eating garbage)
 - The judgment of the DDS person doing the assessment
- If your child is offered housing at 22 and you turn it down, you may not be offered it again until the family is unable to provide care

www.autismhousingpathways.org

6

Ki moun ki resevwa sèvis rezidansyèl kominotè (2) ?

- Sante ak sekirite se yon tès ki gen twa volè :
 - Kapasite fanmi an genyen pou l bay swen
 - Men kèk egzanp yon moun k ap resevwa CBRS : yon manman ki legalman avèg, yon paran ki gen yon pwoblèm nan do ki pa ka bay yon moun ki sou yon chèz woulant swen, elatriye
 - Bezwen moun nan
 - Men kèk egzanp sou yon moun k ap resevwa CBRS : moun ki agresif, k ap fè tèt li mal, ak pica (manje fatra)
 - Jijman moun nan DDS la k ap fè evalyasyon an
- Si yo ofri pitit ou a kay lè l gen 22 an epi w pa pran l, yo ka pa janm ofri l li ankò jiskaske fanmi an vin pa anmezi pou ba l swen

What about that group home?

- About 40% of those receiving CBRS live in a group home, and about 20% live in Shared Living
- DDS wants to serve more people in Shared Living, and fewer in group homes
- DDS does **NOT** fund the housing expenses in Shared Living
- People without an intellectual disability are not currently eligible for either a group home or Shared Living.
 - If they live in homes of their own and need less than 24/7 care, they may be able to receive individual support hours. Otherwise, they are eligible for family supports.
 - DDS will not fund the housing, except possibly if the person has no family involvement

Most families will need to face the challenge of finding or creating housing

www.autismhousingpathways.org

7

E konsènan kay kote plizyè moun ki gen bezwen espesyal ret ansanm ?

- Apeprè 40% nan moun k ap resevwa CBRS yo abite nan yon kay kote plizyè moun ki gen bezwen espesyal ret ansanm, epi apeprè 20% ap viv an komen ak yon fanmi
- DDS vle sèvi plis moun ki abite an komen ak yon fanmi, ak mwens moun ki abite nan yon kay kote plizyè moun ki gen bezwen espesyal ret ansanm
- DDS **PA** peye pou depans pou lojman nan lojman an komen yo
- Moun yo ki pa gen yon andikap entèlektyèl yo pa kalifye kounye a ni pou yon kay kote plizyè moun ki gen bezwen espesyal ret ansanm ni pou pou abite an komen ak yon fanmi.
 - Si yo abite nan pwòp kay yo epi yo bezwen swen mwens pase 24 èdtan pa jou ak 7 jou pa semèn, yo ka petèt voye moun ede yo pandan kèd èdtan. Sinon, y ap kalifye pou soutyen famiyal.
 - DDS pap peye pou kay la, sòf si fanmi moun nan pa enplike nan swen l.

⇒ Pifò fanmi yo ap oblije degaje yo swa pou yo jwenn yon lojman oswa kreye yon lojman

The Good News: Separation of Housing From Services is Best Practice

- Finding housing is challenging, but can lead to better outcomes
 - Individuals can choose with whom they live
 - If the service provider is a poor fit, the individual can change providers without moving
 - If a live-in caregiver quits, the caregiver leaves, not the person with a disability

www.autismhousingpathways.org

8

Men bon nouvèl la : Separasyon ant lojman ak sèvis yo se pi bon pratik la

- Jwenn kay difisil, men sa ka abouti a pi bon rezilta
 - Moun yo ka chwazi ak kiyès pou yo viv
 - Si moun k ap bay sèvis la pa bon pou moun k ap resevwa sèvis la, moun k ap resevwa sèvis la ka chanje moun k ap bay sèvis la san l pa kite kay li rete a
 - Si yon moun k ap bay yon moun swen epi ki abite avè l kite, moun k ap bay swen an prale, men moun ki gen andikap la pa prale

Don't Panic! Plan*

- Learn the Housing Equation
 - Rules govern which government programs can be combined, which can't, what they can be used for and where
- Develop a housing strategy that you can implement over time; 5-10 years is not uncommon
 - At 18, start taking concrete steps
 - Don't wait until you're ready for your family member to move out – because when you start taking steps is when the 5-10 year clock starts!
- Develop assets (before 18, if possible!)
- Develop your family member's skills

* Nothing here constitutes legal, financial or real estate advice

www.autismhousingpathways.org

9

Pa panike ! Fè planifikasyon*

- Aprann ekwasyon lojman an
 - Gen règleman ki etabli ki pwogram gouvènman an genyen ki ka konbine, kilès ki pa ka konbine, poukisa ak ki kote yo ka itilize yo
- Devlope yon estrateji pou lojman w ap ka aplike alalong ; 5-10 ane se pa yon bagay ki ra
 - A 18 an, kòmanse pran etap konkrè
 - Pa ret tann jiskaske w prè pou manm fanmi w nan kite kay la – paske lè w kòmanse fè demach yo se lè sa a kwonomèt 5-10 ane a kòmanse !
- Devlope byen yo (anvan 18 an, si l posib !)
- Devlope konpetans manm fanmi w nan

The housing equation

- Supportive services almost always cost more than bricks and mortar expenses
- Don't forget this doesn't include spending money, transportation, etc.

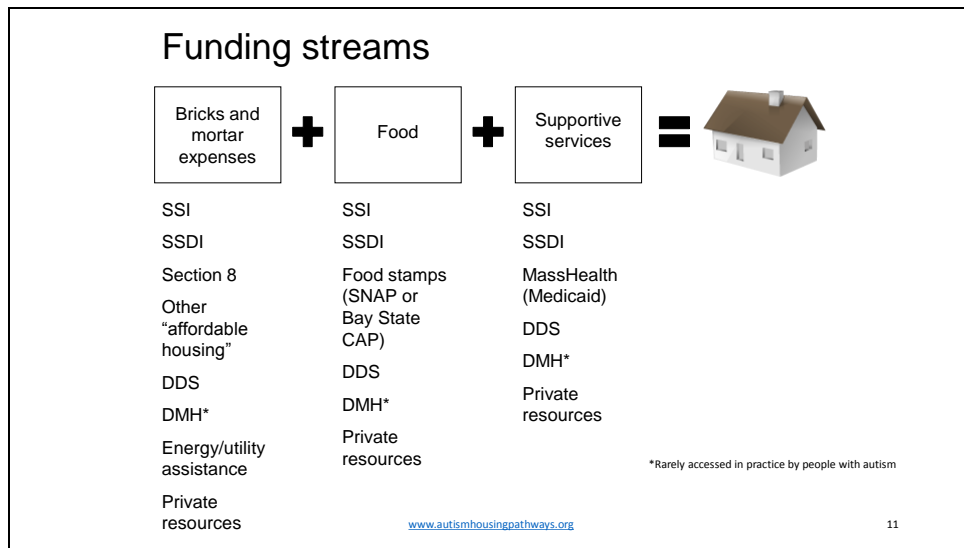

www.autismhousingpathways.org

10

Ekwasyon lojman an

Depans pou lojman + Manje + Sèvis soutyen = Lojman

- Sèvis soutyen yo prèske toujou koute plis pase depans pou brik ak mòtye
- Pa bliye sa pa gen ladan lajan w ap depanse, lajan pou transpò, elatriye

Depans pou lojman :

- SSI
- SSDI
- Section 8
- Lòt "lojman a pri abòdab"
- DDS
- DMH*
- Èd nan domèn enèji / sèvis piblik (elektrisite, gaz, elatriye)
- Resous prive

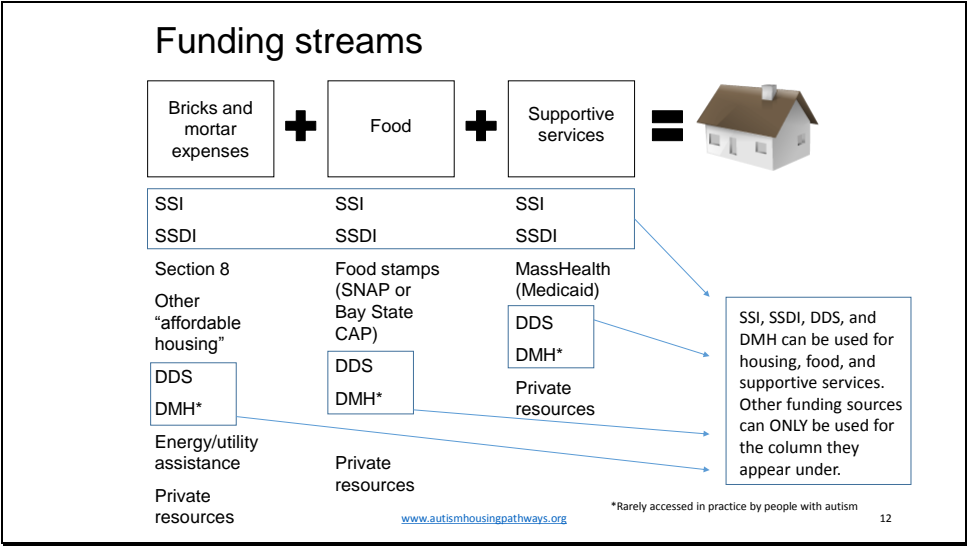

Manje :

- SSI
- SSDI
- Koupon alimantè [Food stamps (SNAP oswa Bay State CAP)]
- DDS
- DMH*
- Resous prive

Sèvis soutyen :

- SSI
- SSDI
- MassHealth (Medicaid)
- DDS
- DMH*
- Resous prive

* An pratik se raman moun ki souffri otis gen aksè a DMH

Yo ka itilize SSI, SSDI, DDS, ak DMH pou lojman, manje, ak sèvis soutyen. Yo ka SÈLMAN itilize lòt sous finansman yo pou kolòn yo parèt anba l la.

www.autismhousingpathways.org

13

4 gwo sèvis yo : SSI, SSDI, Section 8, MassHealth

• Revni siplemantè sekirite sosyal [Supplemental Security Income (SSI)]

- Fòk ou se yon granmoun, ou avèg, oswa w gen yon andikap, ou gen yon revni ki ba anpil (pi piti pase 1.337 \$ pa mwa an 2017) epi byen w yo pi piti pase 2.000 \$
- 577 \$ - 1.189 \$ pa mwa, tou depann de kondisyon lojman w
 - 1.189 \$ nan yon rezidans pou moun ki depandan
 - 849 \$ si w ap viv pou kont ou
 - 765 \$ si w ap pataje depans yo egal ego oswa w nan yon kay kote plizyè moun ki gen bezwen espesyal ret ansanm
 - 577 \$ lakay yon lòt moun kote w pap pataje depans yo egal ego
- Administrasyon Sekirite Sosyal (Social Security Administration) peye yon pati ladan l, eta a peye rès la
- Pa gen penalite pou yon moun k ap touche 65 \$ pa mwa nan travay li, ak pou yon moun ki gen yon revni 20 \$ pa mwa ki pa salè l
 - Fè plis lajan vle di y ap koupe alokasyon yo a 50 santim pou yon dola
 - Rediksyon maksimòm nan se 50% nan peman federal la, plis 20 \$

The Big 4: SSI, SSDI, Section 8, MassHealth

- SSI (continued)
 - Makes you automatically eligible for MassHealth Standard
 - Apply for SSI as an adult at 18
 - If a MassHealth card doesn't come in the mail after a person is approved for SSI, call MassHealth.
 - If they ask you to complete a MassHealth application, ask to speak with a supervisor – tell the supervisor your adult child is on SSI
 - Completing a MassHealth application could cause problems; normally, people apply for MassHealth as adults at 19, but people on SSI should receive it automatically at 18.

www.autismhousingpathways.org

14

4 gwo sèvis yo : SSI, SSDI, Section 8, MassHealth

• SSI (k ap kontinye)

- Si yon moun gen SSI, l ap otomatikman kalifye pou MassHealth estanda (MassHealth Standard).
- Aplike pou SSI kòm adilt lè w gen 18 an
 - Si yon moun pa resevwa MassHealth li pa lapòs apre l fin apwouve pou SSI, rele MassHealth.
 - Si yo mande w pou w ranpli yon aplikasyon MassHealth, mande pou w pale ak yon sipèvizè – di sipèvizè a pitit ou a ki se yon adilt gen SSI
 - Ranpli yon aplikasyon MassHealth ta ka bay pwoblèm ; nòmalman, moun aplike pou MassHealth kòm adilt lè yo gen 19 an, men moun ki gen SSI ta dwe resevwa l otomatikman lè yo gen 18 an.

The Big 4: SSI, SSDI, Section 8, MassHealth

- **Social Security Disability Insurance (SSDI)**
 - Based on the work history of the individual OR of the parent, if the person is a "Disabled Adult Child" (disability present before age 22)
 - If based on parent's history, benefits begin when parent retires, becomes disabled, or dies
 - May pay more than SSI (depending upon parent's work history)
 - If it pays less, the person gets enough SSI to make up the difference
 - No limit on savings, assets or unearned income, but the person can't earn more than \$1,170/month (in 2017)

www.autismhousingpathways.org

15

4 gwo sèvis yo : SSI, SSDI, Section 8, MassHealth

- **Asirans pou andikap sekirite sosyal la [Social Security Disability Insurance (SSDI)]**
 - Li baze sou istwa travay moun nan OSWA paran an, si moun nan se "pitit yon adilt ki gen yon andikap" (li gen andikap la anvan l gen 22 an)
 - Si l baze sou istwa paran an, alokasyon yo ap kòmanse lè paran an pran retrèt, lè l vin gen yon andikap, oswa lè l mouri
 - Li ka peye plis pase SSI (tou depann de istwa travay paran an)
 - Si l peye mwens, moun nan gen ase SSI pou kouvri diferans lan
 - Pa gen limit nan lajan w ekonomize, nan byen w ka genyen oswa nan revni ki pa salè w, men moun nan pa ka ap touche plis pase 1.170 \$ pa mwa (an 2017)

The Big 4: SSI, SSDI, Section 8, MassHealth

- SSDI and health insurance

- SSDI makes you eligible for Medicare after 2 years, NOT MassHealth (Medicaid)
- MassHealth is the main way to pay for long-term services and supports
- If the SSDI payment is above the MassHealth income limit, the person could lose their MassHealth
 - An exception: Won't lose MassHealth if moving from SSI (as an adult) to SSDI is the only reason the income went too high
 - Don't retire until your child is getting SSI as an adult, if you have a strong earning history

www.autismhousingpathways.org

16

4 gwo sèvis yo : SSI, SSDI, Section 8, MassHealth

- SSDI ak asirans lasante

- SSDI ap fè w kalifye pou Medicare apre 2 an, PA MassHealth (Medicaid)
- MassHealth se mwayen prensipal pou moun peye pou sèvis ak soutyen alontèm.
- Si paman SSDI la pi wo pase limit revni MassHealth la, moun nan ka pèdi MassHealth li
 - Yon eksepsyon : Ou pap pèdi MassHealth la si w kite SSI (kòm yon adilt) pou w pran SSDI se sèlman rezon ki fè revni an te twò wo a
 - Pa pran retrèt ou pazavan pitit ou a kòmanse ap resevwa SSI kòm yon adilt, si w ap touche yon gwo salè depi lontan

The Big 4: SSI, SSDI, Section 8, MassHealth

• SSDI and CommonHealth

www.autismhousingpathways.org

17

4 gwo sèvis yo : SSI, SSDI, Section 8, MassHealth

- Moun ki pèdi MassHealth yo ka kalifye pou CommonHealth ; yo ka itilize l tou pou peye pou sèvis ak soutyen alontèm yo
- Ou ka oblije peye yon prim k ap baze sou revni w
- Kalifikasyon w ap baze sou pwòp revni w lè w gen 19 an
- Ou dwe reponn a youn nan sa yo pou w ka kalifye :
 - W ap travay 40 èdtan pa mwa
 - Peye yon dediktib yon sèl fwa

 - “18? Section 8!”: a video and website to help you through the process (www.18section8.org)

www.autismhousingpathways.org

19

4 gwo sèvis yo : SSI, SSDI, Section 8, MassHealth

• Section 8 – yon kupon pòtab

- Endividi a peye mèt kay la 30% nan revni l ; Depatman Lojman ak Devlopman Iben nan Etazini (US Dept. of Housing and Urban Development) ap peye mèt kay la rès lajan an.
- Li pap afekte alokasyon SSI oswa MassHealth yo
- Ou ka ret tann 10-12 an pou w jwenn li
- Ou ka aplike lè w gen 18 an
- Ou ka gen sèlman 60 jou pou w itilize l, men an jeneral ou ka jwenn yon ekstansyon si w se yon moun ki gen yon andikap (total 120 jou)
- Yon moun ki gen yon andikap ka resevwa yon bon pou de chanm a kouche si l bezwen yon asistan pou abite avè l – men asistan an pa ka yon manm fanmi pwòch (li ta ka pa yon pwoblèm pou yon kouzen / kouzin)
- Yo ka pèmèt pwopriyetè kay la se yon manm fanmi an nan kad yon aranjman rezonab pou yon moun ki gen yon andikap, men moun ki lwe kay la dwe rete nan yon apatman apa, ki legal
- “18 ? Section 8 !”: Yon videyo ak sit entènèt pou ede w atravè pwosesis la (www.18section8.org)

The Big 4: SSI, SSDI, Section 8, MassHealth

- Three ways to apply for Section 8
 - The Centralized Waiting List
 - Apply online (<http://www.section8listmass.org/>)
 - Login annually to update application and make any changes to prevent being taken off the list
 - Make sure they have an up to date address
 - The Department of Housing and Community Development (DHCD) Housing Choice Voucher Program (HCVP) Section 8 list (also called the regional non-profit list)
 - Fill out a paper application and mail it or hand carry it to the non-profit serving your area (Metropolitan Boston Housing Partnership serves Boston) (<http://www.mass.gov/hed/economic/eohed/dhcd/rental-applications-and-documentation.html>)
 - Contact them annually to update application and make any changes to prevent being taken off the list
 - Make sure they have an up to date address
 - Housing authorities that have vouchers, but don't participate in the Centralized Waiting List
 - The list includes Boston and Cambridge

20

4 gwo sèvis yo : SSI, SSDI, Section 8, MassHealth

• Twa mwayen pou yon moun aplike pou Section 8

- Lis datant santralize (Centralized Waiting List) a
 - Aplike sou entènèt (<http://www.section8listmass.org/>)
 - Konekte chak ane pou w mete aplikasyon w nan ajou ak pou w fè nenpòt chanjman pou anpeche yo retire w nan lis la
 - Asire w adrès yo gen pou ou a ajou
- Lis Section 8 Pwogram Bon pou Chwa Kay [Housing Choice Voucher Program (HCVP)] Depatman Lojman ak Devlopman Kominotè [Department of Housing and Community Development (DHCD)] a (yo rele l tou lis ajans ki pa la pou fè pwofi nan rejyon an)
 - Ranpli yon aplikasyon sou papye epi voye l pa lapòs oswa pote l ale nan ajans ki pa la pou fè pwofi k ap sèvi zòn ou an (Metropolitan Boston Partnership Housing sèvi Boston) (<http://www.mass.gov/hed/economic/eohed/dhcd/rental-applications-and-documentation.html>)

Project-based Section 8

- Another type of Section 8
- The voucher belongs to a specific address and is NOT portable
- Waiting lists may be much shorter
- Living in project-based Section 8 for a year can move someone to the top of the portable Section 8 voucher waiting list
- A person with a disability can receive a two-bedroom voucher if they need an aide to live with them – but the aide cannot be a close family member

Section 8 ki pou yon lojman piblik espesifik

- Yon lòt tip Section 8
- Bon an se pou yon adrès espesifik epi li PA pòtab
- Lis datant yo ka pi kout anpil
- Si yon moun abite nan Section 8 ki pou yon lojman piblik espesifik pandan yon ane, sa ka fè l monte nan tèt lis datant bon Section 8 pòtab la
- Yon moun ki gen yon andikap ka resevwa yon bon pou de chanm a kouche si l bezwen yon asistan pou abite avè l – men asistan an pa ka yon manm fanmi pwòch

The Big 4: SSI, SSDI, Section 8, MassHealth

- MassHealth ***is*** Medicaid
- Medicaid “State Plan Services” are the main way to pay for long-term services and supports
 - An entitlement, meaning there are no waiting lists
 - Both MassHealth Standard and CommonHealth members can use state plan services
 - State plan residential services include Group Adult Foster Care, Adult Foster (or Family) Care, and Personal Care Attendant services
 - May ***not*** be used to pay for housing
 - Follow events in Washington, D.C. – “block granting” or “capitation” of Medicaid would mean waiting lists for state plan services

www.autismhousingpathways.org

22

4 gwo sèvis yo : SSI, SSDI, Section 8, MassHealth

- MassHealth ***se*** Medicaid
- “Sèvis plan asirans pou eta a” Medicaid genyen yo se mwayen prensipal pou moun peye pou sèvis ak soutyen alontèm.
 - Yon dwa otomatik, sa vle di pa gen lis datant
 - Ni manm MassHealth Standard ni manm CommonHealth ka itilize sèvis plan eta yo
 - Pami sèvis rezidansyèl plan eta yo, nou jwenn Swen fanmi dakèy pou plizyè adilt (Group Adult Foster Care), Swen fanmi dakèy (oswa familyal) pou adilt (Adult Foster Care), ak sèvis kote yon asistan ap bay swen pèsonèl
 - Ou ***pa*** ka itilize yo pou w peye pou lojman
 - Swiv evenman yo Washington, D.C. – “sibvansyon” oswa “kapitasyon” Medicaid ta vle di lis datant pou sèvis plan eta yo

 - Si moun k ap bay swen an pa kalifye pou kupon alimentè, moun ki gen yon andikap la pa ka resevwa kupon alimentè.

¹ Moun k ap resevwa swen an bezwen èd pou l fè youn oswa plis nan aktivite nan lavi kotidyèn yo (an anglè ADLs)

Adult Family Care (AFC)

- Same as Adult Foster Care, but the caregiver is a family member who is not a legal guardian
 - Generally means a parent cannot be a caregiver until the individual is 18
 - Often at 18 one parent will become the guardian while another becomes the caregiver

Swen familyal pou adilt [Adult Family Care (AFC)]

- Menm ak Swen fanmi dakèy pou adilt, men moun k ap bay swen an se yon manm fanmi ki pa yon titè legal
 - An jeneral, sa vle di yon paran pa ka yon moun k ap bay swen pazavan moun k ap resevwa swen an pa gen 18 an
 - Souvan a 18 an yon paran ap vin titè a alòske yon lòt moun vin se moun k ap bay swen an

Personal Care Attendants (PCA)

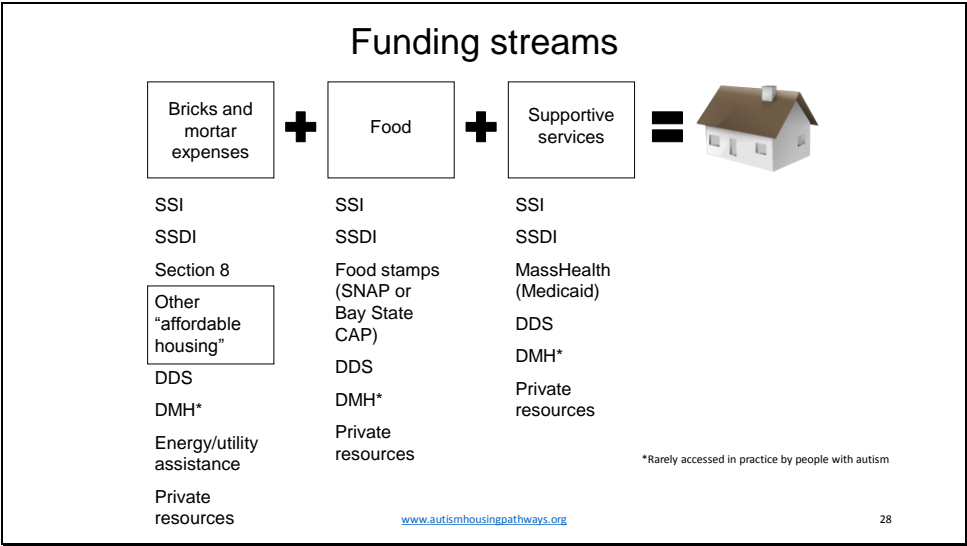

- Cannot be combined with Adult Family Care or Group Adult Foster Care
- Must need physical assistance with 2 or more ADLs

- A waiver is needed for PCAs who work over 40 hours/week for all clients
- If you need less than 15 hours/week of assistance, it may be more cost effective to apply for Adult Foster Care; if you need 24/7 coverage, it may also be preferable to apply for Adult Foster Care, as PCA only covers specific tasks for short periods of time
 - For people who consistently need assistance throughout the night (i.e. with a breathing tube, or nighttime toileting due to a prostate condition), overnight PCA might be a possibility

www.autismhousingpathways.org

27

Asistan k ap bay swen pèsonèl (an anglè PCA)

- Pa ka konbine avèk Swen fanmiyal pou adilt oswa Swen fanmi dakèy pou plizyè adilt
- Moun k ap resevwa swen an dwe bezwen asistans fizik pou l fè de oswa plis nan aktivite nan lavi kotidyèn yo
- Yon PCA pa kapab yon titè legal ; pou adilt, yon paran ki pa yon titè ka yon PCA
- PCA ka sèlman travay yon kantite èdtan MassHealth apwouve
- PCA yo fè 14,56 \$ pa èdtan ; li pral monte a 15 \$ pa èdtan an jiyè 2018
- Yon egzonerasyon nesèsè pou PCA yo k ap travay plis pase 40 èdtan / semèn pou tout kliyan
- Si w bezwen èd pou pi piti pase 15 èdtan pa semèn, li ka pi rantab pou w aplike pou Swen fanmi dakèy pou adilt ; si w bezwen èd 24 èdtan pa jou ak 7 jou pa semèn, li ka pi preferab tou pou w aplike pou Swen fanmi dakèy pou adilt, paske PCA sèlman fè kèk travay espesifik pou peryòd tan tou kout
 - Pou moun ki toujou bezwen èd pandan tout nwit la (sètadi ki gen yon tib respiratwa, oswa ki bezwen èd lè l ap pipi oswa pou pou akòz yon pwoblèm pwostat), yon PCA pou lannwit ta ka yon posibilite

- Lojman pou moun aje nan eta a
 - 13,5% nan kabann yo rezève pou moun ki pi jèn ki gen andikap

What if I do get group home funding?

- Group home funding is based on rates created by Chapter 257*
 - Per diem rates are based on program model (Basic, Intermediate, or Medical/Clinical), number of residents per house, and number of full time equivalent (FTE) direct care staff
 - Basic, 4 person house with 5.5 FTEs = \$249.39 per diem
 - Intermediate, 5 person with 12.7 FTEs = \$410.67 per diem
 - Most are offered an empty bed with funding attached to it (a “funded vacancy”) in an existing house
 - If a vacancy is a poor fit, ask to see other options, including in other DDS area offices
 - Be aware that turning down more than one placement may make it difficult to get a placement until something substantive changes in your family situation

39

E si m jwenn finansman pou m al nan yon kay kote plizyè moun ki gen bezwen espesyal ret ansanm ?

- Finansman pou kay kote plizyè moun ki gen bezwen espesyal ret ansanm baze sou tarif yo Chapter 257 te kreye*
 - Tarif pa jou yo baze sou modèl pwogram nan (modèl debaz, entèmedyè, oswa medikal / klinik), sou kantite rezidan ki nan yon kay, ak kantite anplwaye k ap travay a ekivalans plen tan [full time equivalent (FTE)] k ap okipe moun ki gen andikap
 - Modèl debaz, 4 moun nan yon kay ki gen 5,5 FTE = 249,39 \$ pa jou
 - Modèl entèmedyè, 5 moun nan yon kay ki gen 12,7 FTE = 410,67 \$ pa jou
- Yo ofri pifò ladan yo ofri yon chann vid yo peye pou li (yon "chanm vid ki resevwa finansman") nan yon kay ki egziste deja
 - Si yon chanm vid pa konvenab pou rezidan an, mande pou w wè lòt opsyon, tankou tcheke nan lòt biwo DDS ki nan lokalite a
 - Ou dwe konnen si w refize plis pase yon plasman pou moun ou an, sa ka rann li difisil pou w jwenn yon plasman jiskaske vin gen yon gwo chanjman nan sitiyasyon famiyal ou

* <http://www.mass.gov/eohhs/docs/eohhs/eohhs-regs/101-cmr-420.pdf>

What if I do get group home funding (2)?

- “Family-driven” housing
 - Some service providers give families more input into how a house is run, or work with families to create unique housing models
 - Example: a Chinese cultural home in West Roxbury
 - More likely to be newly opened homes
 - Since priority is not usually determined until shortly before turning 22, it is difficult to create a new out-of-the-box model at 22
 - May need to get into the system, then try to move around later

E si m jwenn finansman pou m al nan yon kay kote plizyè moun ki gen bezwen espesyal ret ansanm (2) ?

- Lojman "familyal"
 - Gen kèk ajans k ap bay sèvis ki bay fanmi yo plis lalwa ochapit nan jan yo jere yon kay, oswa k ap travay ak fanmi yo pou yo kreye modèl lojman inik
 - Egzanp: yon mezon kiltirèl chinwa nan West Roxbury
 - Pi pwobab pou yo se lojman ki fèk louvri
 - Piske jeneralman yo pa detèmine priyorite pazavan yon tikras tan anvan moun nan gen 22 an, l ap difisil pou w kreye yon nouvo modèl ki tou prè pou moun itilize a 22 an
 - Ka bezwen antre nan sistèm nan, apre eseye deplase pi devan

What if I do get group home funding (3)?

- Under a new policy* DDS will not “license, fund or support new residential development” with any of the following characteristics:
 - Settings that have limited, if any, interaction with the broader community;
 - Settings that use or authorize restrictions that are used in institutional settings;
 - Farmsteads or disability-specific farm community;*
 - Gated or secured communities for people with disabilities;
 - Settings that are part of or adjacent to a residential school;
 - Multiple settings co-located and operationally-related that congregate a large number of people with disabilities for significant shared programming and staff; and
 - Multiple settings on a single site or in close proximity

* <http://www.mass.gov/eohhs/gov/laws-regs/dds/policies/hcbs-policy-2014-1.pdf>

E si m jwenn finansman pou m al nan yon kay kote plizyè moun ki gen bezwen espesyal ret ansanm (3) ?

- Dapre yon nouvo règleman*, DDS pap "bay lisans, finanse oswa soutni nouvo lojman rezidansyèl" ki gen nenpòt nan karakteristik sa yo :
 - Rezidans ki gen entèraksyon limite, si genyen, ak kominote a nan yon sans ki pi laj ;
 - Rezidans ki itilize oswa otorize restriksyon yo itilize nan rezidans enstitisyonèl ;
 - Fèm (Farmsteads) oswa kominote agrikòl ki espesifik pou moun andikape ;
 - Mezon kominotè ki klotire oswa an sekirite pou moun ki gen andikap ;
 - Rezidans ki fè pati oswa adjasan a yon lekòl rezidansyèl ;

DDS – Waivers

- An individual receiving services as an adult from DDS may apply for a waiver. The waiver is, technically, waiving the right to receive Medicaid services in an institution (e.g. Fernald), and opting to receive services in the community instead. Participants must be on MassHealth, and meet specific MassHealth waiver requirements.
- The state receives 50 cents back from Medicaid for every dollar it spends on waiver participants.
- The dollar value of services received under a waiver may be capped, as may the number of waivers available. When a waiver is full, someone must give up a waiver for someone else to get it.

DDS – Egzonerasyon

- Yon moun k ap resevwa sèvis nan DDS kòm yon adilt ka aplike pou yon egzonerasyon. Egzonerasyon an, teknikman, anile dwa pou moun nan resevwa sèvis Medicaid nan yon enstitisyon (tankou Fernald), ak chwazi pou resevwa sèvis nan kominote a pito. Patisipan yo dwe gen MassHealth, epi yo dwe reponn a egzijans egzonerasyon espesifik MassHealth yo.
- Eta a resevwa 50 santim an retou nan men Medicaid pou chak yon dola l depanse pou patisipan ki jwenn egzonerasyon yo.
- Ka gen yon limit maksimòm yo pa ka depase pou kantite lajan w ap peye pou sèvis ou resevwa anba yon egzonerasyon, menm jan l ka ye pou kantite egzonerasyon ki disponib yo. Lè yon egzonerasyon plen, yon moun dwe abandone yon egzonerasyon pou yon lòt moun ka jwenn li.

Housing strategies should reflect a vision

- Person-centered planning
 - Method for your family member to plan a future based on their dreams
 - Relies on “circles of support” to carry out plans:
 - Circle 1: Those closest to the person
 - Circle 2: More distant friends and relatives
 - Circle 3: Acquaintances
 - Circle 4: People paid to be in their life
 - Ideally done with a facilitator, but some free tools are available:
 - “My interests, hopes, and dreams”: <http://pcp.sonoranucedd.fcm.arizona.edu/sites/pcp.sonoranucedd.fcm.arizona.edu/files/Preference%20Tool.pdf>

Estrateji pou lojman yo ta dwe reflekte yon vizyon

- Planifikasyon ki santre sou moun nan
 - Metòd pou manm fanmi w nan pou l planifye yon avni ki baze sou rèv li yo
 - Konte sou "sèk soutyen yo" pou egzekite pwojè yo :
 - Sèk 1 : Moun ki pi pwòch moun nan
 - Sèk 2 : Zanmi ak fanmi pi lwen
 - Sèk 3 : Moun li konnen yo
 - Sèk 4 : Moun yo peye pou yo ka nan lavi moun nan
 - Ideyalman yo fè sa ak yon fasilitatè, men gen kèk zouti gratis ki disponib :
 - "Enterè, espwa, ak rèv mwen yo" : <http://pcp.sonoranucedd.fcm.arizona.edu/sites/pcp.sonoranucedd.fcm.arizona.edu/files/Preference%20Tool.pdf>

- Letter of intent
 - Statement by parents/guardians of intent for the person's future
 - Nitty-gritty information (doctors, medications, medical history, location of life insurance policy, will, etc.)
 - Family member's likes, dislikes, favorite places/activities/videos, etc.
 - "Footprints for the Future", a letter of intent form is available from Emarc at <http://bit.ly/2ygcdr2>
 - A living document: update it regularly
- Tend your child's circle of support like you would tend a garden
 - Have dinner once a year and update everyone
 - Invite the person your child would rely on most when you're gone to attend an IEP or ISP meeting

www.autismhousingpathways.org

53

Estrateji pou lojman yo ta dwe reflekte yon vizyon (2)

- Lèt entansyon
 - Deklarasyon entansyon paran / titè yo pou avni moun nan
 - Enfòmasyon detaye (doktè, medikaman, antesedan medikal, kote w gen polis asirans lavi, testaman, elatriye)
 - Sa manm fanmi an renmen, sa l pa renmen, kote / aktivite / videyo l pi renmen, elatriye
 - "Enprent pou lavni" ("Footprints for the Future"), gen yon fòmilè pou lèt entansyon ki disponib nan Emarc nan <http://bit.ly/2ygcdr2>
 - Yon dokiman sou lavi l : mete l ajou regilyèman
- Okipe w de sèk soutyen pitit ou a tankou w ta okipe w de yon jaden
 - Pran soupe ansanm yon fwa pa ane epi bay tout moun mizajou
 - Envite moun pitit ou a ta konte plis sou li a lè w pral nan yon reyinyon IEP oswa ISP

Kòman pou m devlope byen yo ?*

- Fè tout efò posib pou w fè ekonomi ; mande fanmi pwòch si yo ka ede
- Fè planifikasyon pou finans yo
 - Pa ekonomize lajan nan non manm fanmi w nan : li ka pèdi kalifikasyon l pou alokasyon gouvènman an
 - Konsidere yon kont ABLÉ – se yon mwayen pou ekonomize lajan pou manm fanmi w nan san w pa bloke kalifikasyon l pou alokasyon gouvènman an : ale nan <http://www.fidelity.com/able/attainable/overview>
 - Kont pou devlopman endividyèl
 - Yon fason pou manm fanmi w nan ka ekonomize pou yon kay, epi pou l resevwa menm fòs lajan an
 - Patisipan yo dwe travay (travay a tan pasyèl konte), li pa dwe gen yon kay, epi revni moun lakay li dwe pi ba pase 200% limit povrete federal la
 - Aprann plis nan <http://midascollab.org/our-work/building-assets#matched>
 - Asire w pwogram IDA a konnen si manm fanmi w nan gen SSI oswa MassHealth, paske l ap afekte kote lajan yo ba li ki menm fòs ak sa l ekonomize a prale

How do I develop assets? (2)*

- If you are your family member's Adult Family Care provider, you might try to save some of the stipend
- Your family member might save earnings in an ABLE account
 - Full time students on SSI who work are allowed to earn more than usual, but they are not allowed to have more than \$2,000 in assets
 - Putting earnings in an ABLE account can allow a student to save for the future and still stay on SSI

* Nothing here constitutes legal, financial or real estate advice

Kòman pou m devlope byen yo ? (2)*

- Si se ou k ap bay manm fanmi w nan Swen famiyal pou adilt (Adult Family Care) la, ou ta ka eseye ekonomize yon pati nan gratifikasyon an
- Manm fanmi w nan ta ka ekonomize revni yo nan yon kont ABLE
 - Elèv a plen tan ki gen SSI k ap travay yo gen dwa touche plis pase abityèlman, men yo pa gen dwa gen plis pase 2.000 \$ an byen
 - Mete revni yo nan yon kont ABLE ka pèmèt yon elèv ekonomize pou lavni epi l ap kontinye resevwa SSI

* Pa gen anyen la a ki konstitiye konsèy jiridik, sou finans oswa sou byen imobilye

Why are living skills so important?

- A recent study showed living skills is the single most important predictor of success for adults with autism*
- About 40% of people with autism won't qualify for AFC, GAFC, or PCA, and some won't qualify for individual supports from DDS
 - In these cases, the more living skills someone has, the cheaper it is to support them

Poukisa konpetans lavi yo se sèl prediktè siksè ki pi enpòtan pou adilt ki gen otis* ?

- Yon etid resan te montre konpetans lavi yo se sèl prediktè siksè ki pi enpòtan pou adilt ki gen otis*
- Apeprè 40% nan moun ki gen otis pap kalifye pou AFC, GAFC, oswa PCA, epi kèk ladan yo pap kalifye pou yo jwenn soutyen endividyèl nan men DDS
 - Nan ka sa yo, plis konpetans lavi yon moun gen, se plis li pap chè pou yo soutni l
