Autism Housing Pathways, Inc. (AHP) is a 501(c)(3) non-profit organization that seeks to enable Massachusetts residents with developmental disabilities and their families to find or create sustainable, supported, self-directed housing that meets their needs and contributes to their quality of life.

AHP is seeking an intern for ten hours per week for the fall of 2022. Duties include:

- Maintaining multiple databases
- Creating instructional videos illustrating life skills (e.g., making a bed, using a commercial washing machine, purchasing a Charlie card)
- Conducting a phone survey of human services agencies

Must be experienced in Microsoft Excel and PowerPoint. Will need to pass a criminal records check.

This is a remote position, but someone present in Massachusetts is preferred.

A stipend is available. Please email a cover letter and resume to:

AHPhousing@comcast.net or to ccampboyle@autismhousingpathways.org.
